

What is a **PATHFINDER** Award?

MassCUE's Pathfinder Award is presented to a Massachusetts Educator and leader whose efforts have enhanced the field of educational technology. This person has gone "above and beyond" in demonstrating leadership and providing inspiration to other educators.

Criteria for Nomination:

The Pathfinder's contribution(s) will have been a catalyst for advancing the use of educational technology and will have had significant impact on people outside their local classroom or district.

- Facilitates a positive change in technological thinking in the classroom, school, or district.
- Demonstrates vision.
- Influences other educators.
- Promotes responsible and ethical use of technology.
- Demonstrates and provides leadership.

Who may be Nominated:

Nominees for this award may come from any appropriate area including, but not limited to: PK-12 school teachers, technology coordinators, and school administrators.

Each nomination must be submitted with the nominee's permission.

Information Required

- Narrative describing the nominee's accomplishments, specifically addressing the criteria.
- Superintendent's and Principal's names and addresses of the Nominee.

For both Nominee and Nominator:

- Name, Address, Telephone Number
- Email
- Current Position and School District

The recipient of the Pathfinder will be required to submit a color photograph to be used for publication.
