

Hoonuit Professional Development

Online professional learning included in your MassCUE membership.

With your MassCUE membership, you have access to Hoonuit Professional Development – for free!

Log in to Hoonuit to gain access to a vast library of online learning resources relating to instructional practices, college and career readiness, student engagement, technology use, and more. Current MassCUE members will be sent login information starting at the beginning of September, and new members will receive information once they have joined.

Our Learning Framework

LearnIt.

Learn from Best Practices

Professional learning on highly-relevant topics.

DoIt.

Apply Learning to Life

Activities to apply learning to life and the classroom

ShareIt.

Connect and Get Feedback

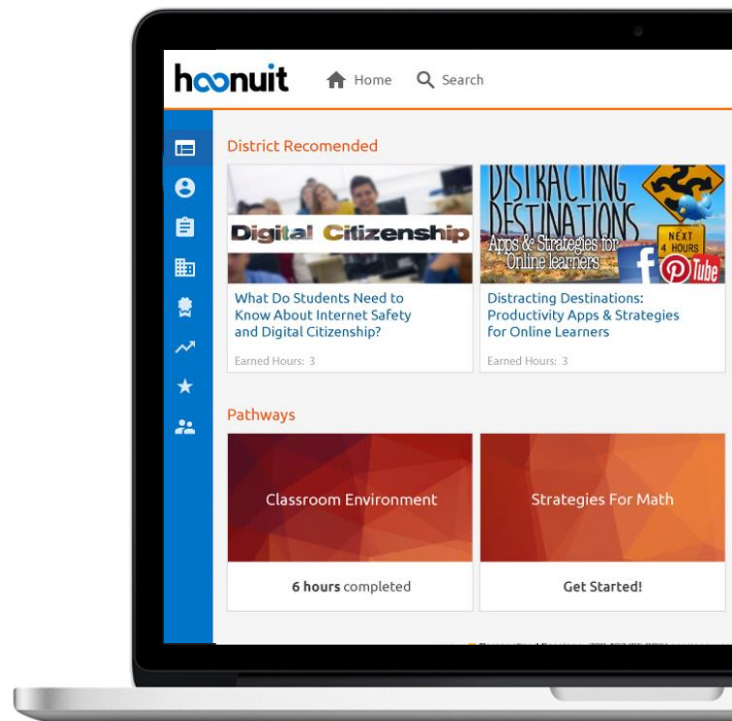

Collaborative tools to learn from other educators.

ProveIt.

Demonstrate Learning

Assessments and resources to monitor progress.

In addition to the personalized learning experience, you can document your professional learning with Hoonuit's reporting capabilities, assessments, and Certificates of Completion.

You also have the opportunity to join webinar training sessions hosted by our customer support team.
