GRANT: OnCUE BLOG SUBMISSION

Guiding Questions

Please use the following questions as guiding questions, rather than writing it in as a form. Also, please include a photo(s) with your submission. Submissions should be between 400-800 words. See additional blog [submission details](#) on the MassCUE website.

Name: _____

District: _____

Date: _____

Project Name: _____

1. Did your grant project meet your goal to increase teacher knowledge and/or change teacher practice?
2. What evidence can you provide that your grant project increased teacher knowledge and/or changed teacher practice?
3. Did your grant project meet your goal to increase student knowledge and/or change student learning practice?
4. Please share evidence that your grant project increased student academic performance.
5. Were you able to complete the grant project timeline? If not, what was the obstacle(s)?
6. Give examples of dissemination/sharing activities with other educators.
7. How do you plan to sustain your grant project now that funding has ended?
8. Reflect on the overall experience for your students: What went well? What would you do differently next time? What are your next steps?
