

EDUCATE CONNECT INSPIRE

What is an Administrator Award?

MassCUE's Administrator Award is presented to a Massachusetts Administrator in recognition for visionary leadership in the field of educational technology. The Administrator's efforts have gone "above and beyond" in providing inspiration to other administrators and educators.

Criteria for Nomination:

MassCUE's Administrator Award is presented to a Massachusetts Administrator in recognition for visionary leadership in the field of educational technology. The Administrator's efforts have gone "above and beyond" in providing inspiration to other administrators and educators.

The nominee models and promotes the effective use of technology in the day-to-day execution of duties; provides exceptional leadership in supporting the integration of technology into the curriculum; promotes, models, and establishes policies for safe, legal, and ethical use of digital information and technology.

Who may Nominate:

Any MassCUE Member may nominate a Massachusetts Administrator for this award. Each nomination must be submitted with the nominee's permission.

Information Required

- Narrative describing the nominee's accomplishments, specifically addressing the criteria.

For both Nominee and Nominator:

- Name, Address, Telephone Number
- Email
- Current Position and School District

The recipient of the Administrator Award will be required to submit a color photograph to be used for publication.
