

PROFESSIONAL DEVELOPMENT

Empower your Educators to Improve Student Outcomes

The one-time workshop or professional development days are a thing of the past. For districts to ensure the learning opportunities they provide their teachers and staff are positively impacting student success, administrators are diving deeper to challenge the quality and delivery of PD. Hoonuit provides continuous and in-depth resources to support ongoing learning to meet the PD requirements redefined by ESSA, but also to ensure teachers are prepared and empowered to reach every student effectively.

Hoonuit challenges the status quo to bring you Professional Development delivery solutions that are:

- ✓ **Personalized**
Give educators autonomy over their learning.
- ✓ **Competency-based**
Provide flexibility in the way educators demonstrate learning.
- ✓ **Sustained**
Offer ongoing opportunities for educators to learn.
- ✓ **Collaborative**
Foster peer-to-peer learning toward common goals.
- ✓ **Data-driven**
Cultivate informed educator decision-making.

WHY HOONUIT?

Complete Commitment to the Education Industry

The Hoonuit team has 100+ years of combined expertise in the education industry. As a result, the professional development courses that we design and deliver are in context of what educators expect. We take into consideration the various regulatory and compliance requirements, national and state PD standards as well as pedagogical needs to support effective teaching.

Robust PD Content Library

We provide the largest, most comprehensive content library for professional development in education with over 100,000 videos and growing. Our accredited content is skillfully created by subject matter experts and is tailored to meet local needs through courses that can be personalized by educational agencies by uploading their own content directly to our platform.

Premier PD Delivery System for Educators

With the only PD Delivery System in the market, Hoonuit offers a fully encompassing, cost-effective platform for sustained, collaborative, data-driven PD needs. Our advanced platform includes assessments, face-to-face instructors for consultative PD, coaching and feedback and competency-based micro-credentials.

Superior System Agnostic LTI Integrations

Our superior system agnostic Learning Tools Interoperability (LTI) integrations with Learning Management Systems (LMS) allows seamless interoperability with our platform, allowing customers to easily leverage our eLearning in their courses. Integrations Include but are not limited to: Blackboard, Canvas, Desire2Learn, Moodle, Schoology, etc.

Unparalleled Service Approach

Our customer-centric approach ensures we are regularly sharing industry best practices with your team to stay abreast of new requirements, establish and foster a productive data culture, and maintain the highest expectations to best serve your students.
