About

Massachusetts Computer Using Educators (MassCUE) is the state's leading organization for educators with a passion for effectively integrating technology in education.

MassCUE's mission is to educate, connect and inspire the educational community by:

- providing high-quality professional learning
- leveraging knowledge and expertise
- recognizing innovation, excellence and courage
- advocating for strategic policies and programs.

MassCUE started in 1982 with 15 technology-inspired educators meeting regularly in a school library. Now, MassCUE proudly supports over 600 active members, 17 Corporate Partners, and 150+ Corporate Members.

MassCUE is governed by a volunteer Board of Directors, supported by paid staff members, and a network of a self-governed, all-volunteer led organization with 12 specialized committees.

MassCUE is the state affiliate of International Society for Technology in Education (ISTE).
