Webinar
Literacy Instruction for Emerging Bilinguals: Language

Development, Language Arts, or Both?

Wednesday, November 15, 2023, 2:00 P.M. (ET)

All educators recognize the importance of both language development and language arts skills for emerging bilingual learners. But providing opportunities for both can be difficult—especially if educators are using assessment tools that fail to identify these students' true strengths and needs.

In this webinar, you'll hear from three bilingual educators who have successfully navigated this challenge.
