Influence and Advocacy Committee Update

Influence and Advocacy
Committee | MassCUE

Computer Science Graduation Requirement? Share Your Input.

Should Massachusetts include computer science in high school graduation requirements? The Influence and Advocacy Committee invites you to participate in a webinar this month to share your thoughts on this issue.

The Massachusetts Department of Elementary and Secondary Education (DESE) has commissioned SageFox Consulting Group and CSforMA to create a

report on states with and without a computer science graduation requirement. They will be holding webinars on February 8th and 27th to gather input from educators, administrators, parents, students and community members.

[To learn more and register for a webinar, please visit the MassCUE website.](#)

Want to get involved with the Influence and Advocacy Committee? Email **[Colleen Terrill](#)** or **[Karen Winsper](#)** for information on how to share your voice in advocacy.

Special Interest Group (SIG) Update

MassCUE SIGs offer educators opportunities to connect and support one another in an area of interest or region. Joining a SIG is a great way to get to know others in your area and learn together.

Makerspace & STEM: Are you looking for advice on starting a makerspace? Have a great STEM activity you want to share? Join the conversation in the Makerspace & STEM SIG Facebook Group. Request an invitation by emailing **[Heidi MacGregor](#)**.

Inclusive Learning: Thank you to all who attended the virtual meetup on January 18. The conversation was a fantastic blend of ideas, questions and discovery relating to the Magic School AI platform. Want more info? **[Visit the MassCUE website](#)** for a list of resources.

Technology Integration: Virtual meeting on Wednesday, February 7 at 10:00am.

For more information on our active SIGs and how you can join, **[visit our website](#)**.

Have questions or want to start a SIG of your own? **[Email SIG Coordinator Sarah Boyle](#)**.
