[Coach Bootcamp](#)

July 31-August 25, 2023, Jen Thomas & Jessica Brittingham

This workshop aims to support educators aspiring to become Technology or Instructional Coaches, and also supports coaches who are relatively new in their coaching role. The workshop aims to provide coaches with structure, tools, resources, and a PLN that they can access for support. Coaches Jen and Jess will discuss best practices and will support attendees who are interested in incorporating the Google Coaching model into their professional practices. This workshop will be asynchronous with weekly synchronous meetings.

For our **Golden 50th Episode Spectacular**, Chris Gosselin takes over the Get a CUE Podcast to interview Brandon and we talked about the first 50 episodes of the podcast. Special guests Jared Perrine (Narragansett Regional), Colleen Terrill (Seekonk), and Karen Winsper (Norton) join to talk about their favorite memories and great conversations and moments from the beginning of the Get A CUE Podcast. Chris also joins the Five Timers Club with his appearance on this episode!
