BC -> DE Fall 2024 Cohort

It's time to lock in for the MassCUE **Building Capacity through Digital Equity Fall 2024 program!** This program is designed to empower educators with the skills and knowledge to effectively leverage educational technology while promoting equity in the classroom.

We can tailor the program for school teams and districts aiming to bridge the digital divide and ensure equitable access to education for all students, as well as individual classroom educators.

It's never too early to plan for the future, so if you're interested in **registering a team or as an individual** for our September 2024 cohort, fill out the form below and we'll be sure to get in touch.

Let's work together to create a more equitable educational experience for all students. Join us for the MassCUE Building Capacity through Digital Equity Fall 2024 program.
