- 4 Create your profile!

You need a passcode to join a profile with a lock icon.

→ **No option to create a profile?**

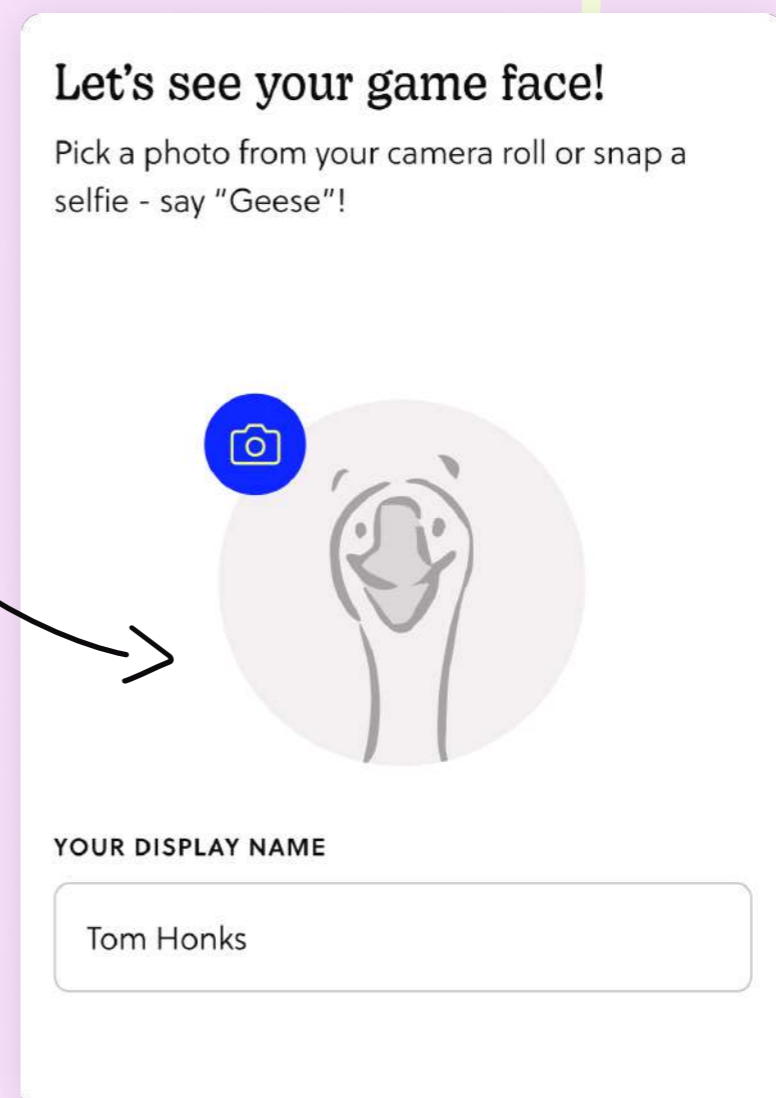

Please join a pre-created profile instead.

- 5 If you are creating a profile, pick your name, and add a photo so other participants know who you are!

When joining a pre-created profile, your name and photo cannot be changed.

→ If you have joined as a guest, you will skip this step and be taken directly into the Experience!

Good luck!
